

Central Idea

This statement ties the learning together to create connections and provide a context across pupils' knowledge.

Democracy can provide a level of say in how justice is served.

Lines of Inquiry

These inquiries are the phases of learning that take place, supporting the children to develop their understanding of the central idea.

1. How the UK justice system works (function)
2. - How laws and justice are different around the world (connection)
3. - How law and justice systems change over time (change)
