

Central Idea

This statement ties the learning together to create connections and provide a context across pupils' knowledge.

Tourism can bring both benefits and cause problems in a local environment.

Lines of Inquiry

These inquiries are the phases of learning that take place, supporting the children to develop their understanding of the central idea.

1. How some local economies rely upon tourism (connection).
2. The impact that tourism can have on local wildlife (change).
3. How to be a responsible tourist (responsibility)
