

Central Idea

This statement ties the learning together to create connections and provide a context across pupils' knowledge.

Ancient people influence our lives today in many ways.

Words in blue do not link to the central idea.

Lines of Inquiry

These inquiries are the phases of learning that take place, supporting the children to develop their understanding of the central idea.

1. How we know about ancient civilisations. (form)
2. How technologies change lifestyles over time (function)
3. The impact that farming has had on modern life. (change)

Maths

Number:

Multiplication and division

Measurement:

Length and perimeter

- Supermarkets - Look at food labels for the traffic lights

Websites

- [BBC Bitesize: The Stone Age](#)
- [Britannica Kids: Stone Age](#)

Apps

Spelling Shed
TTRS
NumBots
LanguageNut

Get Creative

- Use paint, pastels or colouring pencils to create a cave painting or a Stone Age "axe".
- Make a Woolly Mammoth using newspaper and string.

Action

- Create a fossil that an archeologist might discover.
- Create a healthy dinner for your family.

Look Out For

- Different types of animals - Which type of skeleton do they have? How can you tell?
- Fossils: Is there any evidence of the past hidden in local areas?

IT

- Research different animals and the food they eat.
- Create Slides to show knowledge of types of skeleton.

In the Car

- Sing times tables
- Practise weekly spellings
- Play Eye Spy to spot different types of animals

Get Outdoors

- Create footprints from prehistorical animals in the mud.
- Gather natural materials to create a Stone Age picture.
